FENETEX
RETRACTABLE SCREENS

DEALER CERTIFICATION

Welcome to Fenetex's professional network of certified dealers — this is a dedicated group of independent dealers committed to quality work and satisfied customers.

Here at Fenetex, our number one goal is to make the best retractable screens possible. In return, we expect a Fenetex dealer to provide accurate measurements to us and to provide a problem-free installation for your customers. This is going to be good for everyone and don't worry, we're going to help you get started on the right track so we have a long and mutually beneficial relationship.

Fill out and/or return the following documents to Fenetex:

- [x] 1. Dealer Certification
- [x] 2. Dealer Information Form
- [x] 3. Dealer Agreement
- [ ] N/A 4. A Copy of Your Resale Certificate (if applicable)
- [x] 5. A Copy of Your Business or Contractor License
- [x] 6. A Copy of Your Certificate of Insurance with Liability and Worker's Comp. or Proof of Worker's Comp. Exemption

Next, there are a couple of important things to look over and understand about Fenetex screens and some tools that are required for fast and successful installations.

Please initial here after reading these sections:

- [MS] 7. Why Fenetex?
- [MS] 8. Considerations – Presenting Screens to Your Clients
- [MS] 9. Best Practices – Tools for Installation
- [MS] 10. Laser Level Incentive Program
- [MS] 11. Design Guide 7.2
- [MS] 12. Retractable Screen Measuring Instructions
- [MS] 13. Retractable Screen Ordering Instructions
- [MS] 14. Fenetex Installation instructions
- [MS] 15. Fenetex Terms and Warranty

We want you to be successful from day one. We can't make you use the right tools, nor can we control how you do the installation; but if you have problems that relate to not following the best practices or instructions, we're going to send you this form as a reminder and we're going to tell you that you need to follow the instructions. Here is a fact— if the installation is done haphazardly, the screen will function poorly, your customer will call you many times complaining about the functionality and you will be servicing the screen over and over at your cost until you fix the underlying problem which usually means having to remove the whole system and reinstalling the screen properly.

I have initialed packet contents indicating that I have read and agree to follow them as a Certified Fenetex Dealer.
